If you think you know Japanese names for characters, please use JanimeS contact form and send me their names.

Sora no Seibun

Note Sora no Se bun s a Japanese manga
What I have s an off cally translated Korean vers on of th s ser es Therefore there are Korean words here and there mostly words of sound

Due to a fact that when th s ser es was releasedin Korea
the trend was that character names were changed nto Korean names
And due to the t me when th s ser es was created th s ser es s hard to get a hold of Because of above there s a problem
I do not know characters Japanese names I ve managed to f nd real names for ma n characters but fa led to f nd names for other characters

I probably don't know about basketball as much as you do
You may have tr ed to br ng v ctory to your team alone But that s not poss ble
Just let you know I d d expect a good play from you
F ne
Unless you change your way of th nking about teamwork. I have no ntent on to even select you as a backup
Oka moto
I

I suppose
th s is for me as well huh?
And you run straight to there and shoot

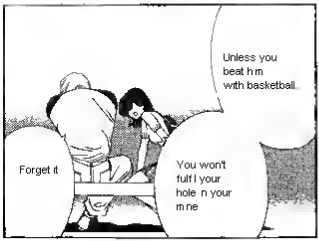
The sports dome ?
Your parents aren't sayng anythng but they want you to keep playng
After you quit the crcle ... it seems you have a huge hole n your mnd
What was your real reason ?
It was who you initially said that you didn't care about the team being weak.

www.janimes.com

So someone you cons dered nfer or was selected but you weren't?
I see

But



Unless you beat h m with basketball...
Forget it
You won't fulf l your hole n your m ne

I would have qut f I were you as well I seem to have very h gh pr de just l ke you

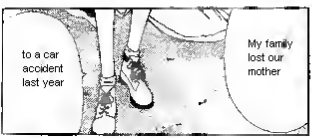
Therefore
I am going to quit the circle

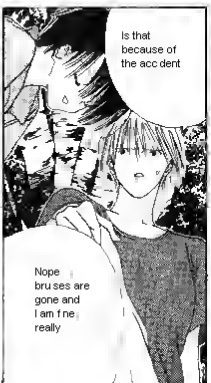
Your face looked too serious to be a joke.
...Don't surprise people like that!
Well, I am really going to quit the circle. That's for sure.

Koi...
I was only joking!



to a car accident last year
My family lost our mother

My sister and I were able to get over
But my father wasn't able to
I know



Is that because of the accident
Nope. My bruises are gone and I am fine, really

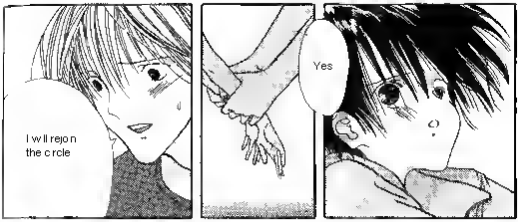
He wouldn't talk to anyone
He quit his job
Everything in my house became dark
So I wanted to join a sports club
As you know they tend to have the longest club activities
That meant less time at home for me

After I was hurt by a car accident, father finally got a hold of himself
But it's all right now
So, I want to stay by him now

Just let you know, the reason he picked Shinohara and me was that we didn't have real experience in actual field
He just wanted us to taste the real stuff
!!

And
If I quit it will be easier for you to rejoin

How about her? You want to rejo n the c rcle r ght ?
Just let you know I liked you the most when you were play ng basketball



I w ll rejo n
